 [linkedin.com/pub/william-cunningham/33/472/498](https://www.linkedin.com/pub/william-cunningham/33/472/498)

I'm William Cunningham, a web designer and teacher located in Columbia, Missouri.

I am a problem solver. I have been the sole web support specialist for the past year, maintaining 800+ client websites. I learn new techniques and methodologies quickly, and manage my time efficiently.
